The graphic features illustrations of colorful pencils (green, blue, orange) and stylized plants in orange and blue.

Spring Art Classes Now Available Online

MFA has transitioned *many of our spring art classes* to an online format via Zoom. Participating faculty members include: Marisa Riblett, David Carlson, June Lee, Rob Jones, Jordan Ho, Lubna David, and Barbara Jones-Koenig.

Don't miss **Experimental Portraits**, a "BRAND NEW" class with former MFA faculty and staff member and returning favorite Arthur Faxon (see [Five From MFA!](#)) held on Tuesdays from 7:00-9:00am. Arthur's class will explore different approaches to creating the human face. Our always-popular **Abstract/Graphic classes** are also available if you have small children and would embrace a new activity during this time at home.

Classes begin soon. [Register now](#). Question? Contact bcrowe@mpaart.org.
