Celebrating MPA and the Gift of McLean Artist Emilio Benes Brzezinski's
Work**

MPA invites you to join us on Thursday, April 29, 2021 from 8-9pm for our inaugural ArtSprings! Virtual Benefit, a celebration of MPA and the Gift of McLean Artist Emilio Benes Brzezinski's Work. Held in lieu of our traditional Spring Benefit, ArtSprings! will feature special guests, musical performances, a silent auction, and much more!

Sponsorship of ArtSprings! makes an impact far beyond the event itself, enabling MPA to continue providing award-winning programs for our community including: critically-recognized contemporary art exhibitions, over 200 popular art classes each year, and MPA's ArtReach program in partnership with Fairfax County Public Schools, as well as local non-profits groups. And, a sponsorship is an excellent way to promote your business or organization to a wide audience while supporting a key facet of our vibrant local arts community.
